Medicare Advantage
from  **UnitedHealthcare**

Plans are insured through UnitedHealthcare Insurance Company or one of its affiliated companies, a Medicare Advantage organization with a Medicare contract and a Medicare-approved Part D sponsor. Enrollment in these plans depends on the plan's contract renewal with Medicare. Benefits, features and/or devices vary by plan/area. Limitations and exclusions apply. UnitedHealthcare Insurance Company pays royalty fees to AARP for the use of its intellectual property. These fees are used for the general purposes of AARP. AARP and its affiliates are not insurers. You do not need to be an AARP member to enroll. AARP encourages you to consider your needs when selecting products and does not make specific product recommendations for individuals. AARP does not employ or endorse agents, producers or brokers. Benefits, features and/or devices vary by plan/area. Limitations and exclusions apply. OTC benefits have expiration timeframes. Call your plan or review your Evidence of Coverage (EOC) for more information. Annual routine eye exam and \$100-600 allowance for contacts or designer frames, with standard (single, bi-focal, tri-focal or standard progressive) lenses covered in full either annually or every two years. If your plan offers out-of-network dental coverage and you see an out-of-network dentist, you might be billed more. Network size varies by local market. The information provided through Renew Active is for informational purposes only and is not medical advice. Consult your doctor prior to beginning an exercise program or making changes to your lifestyle or health care routine. Gym network may vary in local market. Other hearing exam providers are available in the UnitedHealthcare network. The plan only covers hearing aids from a UnitedHealthcare Hearing network provider.
