What is the Chamber?

The Chamber is a non-profit business association that works with its members to achieve its goals. The mission of the Orchard Park Chamber of Commerce is to serve our membership as a catalyst -- the organization through which business and professional people work together for the common good of the community.

Who belongs to the Chamber?

The Orchard Park Chamber of Commerce is "people" - individuals, professionals and business firms creating a pool of resources from which ideas, energies and finances are drawn. Chamber programs provide the opportunity for members to accomplish as a group what they cannot as individuals.

What will the Chamber do for me?

A LOT! We can save you money through a variety of services and benefits offered to our members; increase exposure for your business, products and services; generate referrals and sales leads; and increase your bottom line. The Chamber sponsors programs that enhance the visibility of both your business and the community, creating a positive atmosphere in which to do business. We represent the business community's voice to government and work with legislators on all levels to improve the business climate. Our E-correspondence and newsletter will keep you informed about civic affairs, important legislative issues, community activities and other essential and helpful information relative to your business.
